THE LONGEST OFF-ROAD RACE IN THE UNITED STATES

Dear Off-Road Racing Community,

The "Vegas to Reno" event is the flag-ship race for the Best In The Desert "The American Off-Road Racing Series". This was Casey's type of event with wide open valleys, mountainous terrain, and breath taking desert floors. You'll experience racing across smooth-as-glass lakebeds and roads that weave their way through mining camps all across rural Nevada. Casey loved being a native of the Battle Born state and this race showcases the challenging and diverse terrain of Nevada. It is the race that built the foundation for Best In The Desert to not only have motorcycles but also the introduction of cars, trucks and quads to the series in 1996. Then in 2005, Best In The Desert introduced another type of vehicle, UTVs, and we became the 1st racing association to allow UTVs to compete in long distance desert racing!!

Since this race has such a strong history for Best In The Desert, it is only fitting that we name this event after our founder, Casey Folks. We are proud to introduce the 2019 **General Tire Casey Folks "Vegas to Reno" presented by FOX**. Casey's passion for this sport was undeniable, and it continues to show through his organization today.

One of our biggest goals is to keep this long distance event thriving and introduce it to a new generation of racers and fans. The 2019 **General Tire Casey Folks "Vegas to Reno" presented by FOX** will be an event that will create memories that will last a lifetime. You, the racer, will find out first hand, along with your family and friends, the true spirit of camaraderie. With the expectation of record breaking entries and the legendary "Casey Folks" name and spirit imbedded, the event is destined to be a huge success.

I am so proud you are joining an elite group of off-road desert racers and the entire Best In The Desert crew for the **General Tire Casey Folks "Vegas to Reno" presented by FOX**. Celebrate our freedom, our sport and the privilege to race 500 + miles across the majestic State of Nevada! From the bottom of my heart, Thank You for your continued support. Be safe, have fun and I will see you at the Finish Line.

PRO-MOD FRONT BUMPER SHOWN WITH OPTIONAL SKID PLATE ON FORD RAPTOR

PRO-MOD FRONT BUMPER

Westin's Pro-Mod Front Bumper combines enhanced vehicle protection, with great looks. Pro-Mod's revolutionary lightweight modular design is uniquely engineered with outrigger reinforcement brackets to provide maximum front end protection without compromising on strength, integrity or durability.

The "high and tight" bumper profile creates a greater approach angle, which significantly improves off-road driving capabilities. The lightweight design also requires smaller shipping packages which dramatically reduces shipping costs. Pro-Mod bumpers feature a textured black finish with an e-coated base coat, providing long lasting corrosion protection from the elements. Once you see the Pro-Mod Front Bumper, the choice becomes obvious.

LIGHTWEIGHT MODULAR DESIGN PROVIDES BOTH STYLE AND PERFORMANCE WITHOUT SACRIFICING STRENGTH!
