THE LONGEST OFF-ROAD RACE

IN THE UNITED STATES

A DREAM THAT GAVE BIRTH TO THE GREATEST OFF-ROAD RACING SERIES

Welcome to the epic adventure of a lifetime, the 2020 MAXXIS Tires “Casey Folks” Vegas to Reno Presented by FOX.

Casey’s dream was the birth of “The American Off-Road Racing Series” and the legendary “Vegas to Reno”, our flagship race. “Vegas to Reno” is recognized around the world as the longest, and toughest off-road race in the United States. We are proud to honor Casey by naming his favorite race after him.

The initial running of the Best In The Desert “Vegas to Reno” race in 1996 marked the first time Casey Folks had the foresight to include all car, truck, motorcycle and quad classes in one of his events. His love for the sport, and his innate ability to organize hundreds of racers, crew, route workers and spectators amidst miles and miles of challenging and electrifying terrain, led BITD to what it is today. The 2020 MAXXIS Tires “Casey Folks” Vegas to Reno Presented by Fox will always include his name.

Best In The Desert proved to the off-road racing community that we could organize a large event successfully while keeping racers, staff, volunteers, and spectators safe in the midst of COVID-19 at the recent running of the VT Construction Silver State 300 Presented by RZR. Because of respect and the excellent job racers and their crew showed at the last race, we now are ready to run the race we are best known for in our 24th year.

The 2020 MAXXIS Tires “Casey Folks” Vegas to Reno Presented by FOX race-course spans 550 miles of grueling Nevada desert between Las Vegas and Reno. Starting near Beatty, Nevada, racers will compete all day, and most into the night to reach the finish line in Dayton, Nevada. This year’s course features some significant changes to the route from years past, traversing some extremely challenging and unique terrain, which is exciting for all loyal racers and fans who have been coming to the “Vegas to Reno” event for years.

This year’s race also marks the second round of the MAXXIS Triple Crown which means the top three finishers in Unlimited Cars/Trucks, Limited Cars/Trucks, UTVs and Motorcycle/Quad classes will take home an additional \$67,000 in bonus money from Best In The Desert on top of their normal payout. Bonuses include \$25,000 for the Unlimited Car and Truck Class winner; \$7,500 for the Limited Car and Truck Class winner; \$7,500 for the top UTV and \$3,500 for the winner of the Pro Motorcycle/Quad Class. Results will also count towards the year-end Best In The Desert Series Class Championships, MAXXIS Triple Crown Series Championships, and the all-new “Adventure Series” that started with the recent Silver State 300 and includes the rest of the year’s races.

Despite a challenging start to the 2020 racing series with COVID-19 postponements, Best In The Desert is ready to finish the year strong. Now it’s time to go racing and take part in this extraordinary desert race named in Casey’s honor to celebrate his dream and experience his passion.

Along with battling the intensely close competition, Luke McMillin also had to deal with the constantly changing conditions brought on by the massive on-course wildfire to claim the overall victory at June’s Silver State 300 race. Photo by Jason Zindroski, HighRev Photography

For this first year of the 6100 Truck Challenge Cup, drivers kicked in \$3K each to get in on the action.

3.0 SHOCKS

2010-14 FORD RAPTOR

The Dirt Logic 3.0 shocks are constructed with a steel body and feature a Cerakote finish in tactical black for extreme durability. NitroSteel® 7/8" piston rods are utilized to repel rock chipping while providing superior corrosion resistance. Completing the blacked-out finish of these high-end Raptor shocks is the polished black anodized aluminum components. They offset the matte black Cerakote body for a subtle yet bold appearance.

Dirt Logic 3.0 Raptor shocks are available individually, with Upper Control Arms or with Fabtech's 4" Suspension system.

Dirt Logic 3.0 Shock Types Available

- Front - Coilover shock w/ remote reservoir and compression adjuster
- Rear - Triple Tube Bypass shock w/ Piggyback reservoir
- Rear - Smooth Body shock w/ remote reservoir and compression adjuster

NEW WESTIN
ENGINEERED FOR ENTHUSIASTS
PRO-MOD FRONT BUMPER
Designed, Tested & Engineered in USA

LIGHTWEIGHT MODULAR DESIGN PROVIDES BOTH STYLE AND PERFORMANCE WITHOUT SACRIFICING STRENGTH!

PRO-MOD FRONT BUMPER

Westin's Pro-Mod Front Bumper combines enhanced vehicle protection, with great looks. Pro-Mod's revolutionary lightweight modular design is uniquely engineered with outrigger reinforcement brackets to provide maximum front end protection without compromising on strength, integrity or durability.

The "high and tight" bumper profile creates a greater approach angle, which significantly improves off-road driving capabilities. The lightweight design also requires smaller shipping packages which dramatically reduces shipping costs. Pro-Mod bumpers feature a textured black finish with an e-coated base coat, providing long lasting corrosion protection from the elements. Once you see the Pro-Mod Front Bumper, the choice becomes obvious.
